Mount Shivalik Chemicals

<https://www.amrolgroup.com/>

We are one of the leading Manufacturer & Trader of Lubricants, Industrial Oils & Chemicals. We are three sister concerns **Amrol Petrochem, Mount Shivalik Chemicals & Chhabra Oil Company.**

About Us

Our company, **Amrol Group of Companies** was incepted in the year **1979** with our sister concerns **Amrol Lubricants, Mount Shivalik Chemicals and Chhabra Oil Comapny in Chandigarh, India**. We, as a reputed organization cater to the varied requirements of Indian market by offering impeccable products such as **Tree Spray Oil, Industrial Oil, Grease, Rust preventives, Emulsifier and many more**. Our company leverages on the experienced workforce that works passionately with the objective to achieve maximum clients' satisfaction. For this, the team follows a strategic process of advantageous consumption of resources such as state-of-the-art infrastructure facility and wide spread distribution network. This has enabled us understand the critical business requirements of our clients and provide them with best in class industrial oils and chemicals.

The focus of our company is also to make lubricating items that are ideal for all kinds of ferrous and non-ferrous alloys or other materials. With such in-depth domain knowledge and experience, **Amrol Group of Companies** have successfully carved a unique position for ourselves in this industry and set benchmarks for our competitors. This strength of ours has also benefited us in acquiring a major chunk of the Indian market and also establish a huge client base for our products.

Additionally, our **Director, S. K. Chhabra**, has led us to become a force to reckon in this...
